> WEST BURKE. A Successful Fair.

The Ladies' Improvement fair held in G. A. R. hall last week Tuesday evening was a success, \$135 being taken. The hall presented a very pretty appearance with booths draped in red, white and blue, also pink and green, lace curtains and draperies. Japanese lanterns were suspended from all parts of the hall. The candy booth was a pretty affair with the nicest lot of home made candy ever seen. The remembrance booth was loaded with articles sent from friends once living in Burke, which goes to show that the people of this place still live in their memory, and for which many thanks are extended to them all. There were two booths for fancy articles; a quilt and rug booth, and a pop corn stand. Many good quilts were sold, which well rewarded the ladies for their work. The worsted quilt for which tickets were sold was drawn by Nelson Burt, and the cotton one by Myrtie Aldrich. The supper room was under the management of Mrs. W. C. Roundy and about 150 people were served. The ladies sincerely thank the public, and everyone who patronized them so generously in this their first fair; also the W. R.
